WELCOME TO VIET-VETS

We are fortunate to count several Viet-Vets among our active members. If we're not to fade away, we must welcome new blood. If you know any younger vets, invite them to a meeting, party or Fri. social night. Also, tell them that Ray Goffinet is a most informed Service Officer and he is always available to help with VA Claims or Benefits under the GI Bill, which incidentally stands as the greatest accomplishment of the Legion. Loan them your magazine to read about our great organization which, next month, starts its 51st year of SERVICE TO GOD & COUNTRY.
