## Commander's Message

Well, we have had a busy few months in closing the year out - with members participating in NJ Run for the Fallen, Stand Down of South

Jersey, the Philadelphia Veterans Parade, Hurricane Relief Drives, Holiday Food Drives, Holiday Kids Party, the Cpt Greg Dalessio Run, and the services for US Navy veteran Kenneth Smith, just to mention a few.

As a Navy veteran myself, I was saddened to learn of the loss of Kenneth Smith on board the USS McCain. In addition to paying respects at his funeral, some members participated in the escort of his remains, a flag line at the church and we also flagged the Funeral Home and Church perimeters – a nice touch and show of respect for Kenneth and his family.

I would also like to give a shout out of thanks to Schetter Funeral home for their gracious donation of 16 beautiful wood poles for our 3 x 5 flags.

Kenneth is the 4<sup>th</sup> Cherry Hill resident killed since Iraq. The others are Jeremy Kane, John Spahr and Greg Dalessio.

The 10<sup>th</sup> Annual Cpt Greg Dalessio 5K Run/Walk was held last month – once again we provided flagging of the route, bananas and oranges for the runners.

The Cherry Hill Police PBA hosted the 2nd annual Veterans dinner at our Post. The veterans were treated to an excellent catered dinner by Mission BBQ, a short ceremony and speaker and a chance to mingle with the Cherry Hill PBA, along with fellow veterans. We are fortunate to live in a town that supports Veterans and their causes.

Our Veterans Day Service was well attended and all seemed to enjoy the presentation and desserts provided afterwards. It was a great day to honor all of our veterans.

The SAL's hosted a fabulous Family Day – I believe it was a record turnout! Everyone had a great time. They also spearheaded the annual Log Splitting event to feed our fireplace with the much needed wood to keep us warm and toasty in what's turning out to be a very chilly winter!

In mentioning all these things, I encourage all members to participate in what you can. Even with limited time, there are things you can do to make a difference for our veterans and community! Be sure to sign up on our

Email list so you receive information on all upcoming events and news.

Because of Harry Doerr's assistance, we now have a new natural gas fired boiler and associated equipment. He has saved the post a lot of money both now and future fuel bills. Way to go Harry!

Effective January 1<sup>st</sup>, Canteen personnel will be checking membership cards upon entrance. Please carry your membership card with you. If you have guests that visit our facility, please speak with them about joining our Legion family – the membership fees range from \$21 - \$35 for the year, an affordable cost for most.

We have dipped heavily into the posts financial reserves purchasing a new roof, parking lot, and now a new heating system, but our building goes back to 1955 and these improvements were necessary. So, stop into the canteen, spend some money, promote Legion membership to your friends/family, try your luck at Pull Tabs, and continue supporting the premier post in South Jersey

For God and Country.

by a Naval Academy football game. One of the ensigns allegedly dressed up in the goatskin and pranced around at halftime. The crowd loved it and Navy won the game.

# Patriot Connections Dog Tag Project Brings it Home for the Holidays for some Vietnam Veterans and their families...

Legion Auxiliary member, Sue Quinn-Morris, of Patriot Connections, has been busy returning Vietnam veterans dog tags over the holidays.

The dog tag of **Danny Gaddis** finally made its way home – due in part to his comrade, Billy Phillips, a retired Philadelphia Police Officer. Phillips served with Danny Gaddis in the 282<sup>nd</sup> Assault Helicopter Co. in Vietnam. Danny was his Crew Chief, Billy was his door gunner aboard a Huey helicopter flying out of Marble Mountain Air facility outside of DaNang in 1968-69. They flew many combat hours together, even being shot down a few times....unfortunately Danny died in 1998. However, happy to report his dog tag was returned to his sister, Dona Maines and his daughter in Oklahoma over the holidays!

Read more at [patriotconnections.org](http://patriotconnections.org)  
**Richard Curry** was nominated to receive the Silver Star, the nation's third highest military award, when he was a nineteen year old private first class and squad leader serving with 'A' Company, 1st Battalion, 1st Marine Regiment of the 1st Marine Division. A couple of weeks shy of his twentieth birthday, in August, 1967, Rich and his platoon were sent to establish a defensive ambush position 200 yards....

...his dog tag was returned to his son, Adam Curry, in Massachusetts over the holidays.

The dog tags of Gaddis and Curry were among hundreds brought home from Vietnam by a retired Police Chief and Vietnam Veteran, Ray Milligan, who was in Vietnam as

where British Army and Royal Navy veteran Aaron Bougourd met him in 2006. Bougourd was there volunteering for the Father Ray Foundation Orphanage.

logistics support coordinator for a group called Operation Smile. Quinn-Morris has been working on returning them all since 2010.

The news came as quite a surprise to **Bruce Cady**. Cady, a Vietnam veteran, in Washington state, doesn't recall losing his dog tag, but was elated to have it returned to him just in time for Christmas!

Major Thien, living as a refugee in Thailand enlisted Bougourd's help to try and find his long lost family in Vietnam, which they were able to do. As a show of appreciation, Major Thien's family gave Bougourd about 50 dog tags they had dug up at Ben Hoa Air Base.

Bougourd, a resident of England, has since reached out to Patriot Connections Dog Tag Project to help try and return the dog tags to the veterans.

**Clarence Bennett** served in the US Air Force for 4 years in Vietnam. Like many Vietnam veterans, Bennett doesn't like to speak much about his time in Vietnam. Imagine his surprise when his wife told him we had contacted her, searching for him - to return his dog tag.

Cady and Bennett's dog tags story takes us back to Major Ly Kim Thien – who had been commissioned as an officer of the Republic of Vietnam Air Force in 1964 and served in several capacities throughout Vietnam up until the fall of Saigon in 1975. It was after this that he was sent to a communist reeducation camp, where he was tortured

and forced to denounce his anti-communist beliefs. In 1994 he escaped Vietnam on foot through Cambodia and on to Thailand, which is

**CAN YOU HELP?** ... While over 100 dog tags have been returned, and another 30 in the works, there is still over 300 left to return. Please take a moment to view/share the list of dog tags – share it with your friends/comrades – check names against your old Vietnam rosters – contact Sue at [squinn9807@aol.com](mailto:squinn9807@aol.com) or 856-495-7270 if you believe she has your dog tag, or one belonging to a friend, relative or comrade. THANK YOU!

# Legion Baseball & Scholarships

## 30 Years of Service Honored:

After 30+ years of dedication to coaching the American Legion Baseball Post 372 team, Ron Krowiak has retired - he and his

wife moved to Georgia.

Legion Officers, Bo Gray, and other coaches that Ron has worked with over the years, came out to wish him well in this new chapter in his life.

Bo Gray has graciously stepped up to fill Ron's position and we wish him well.

Please be sure to follow our website for the Le-

gion Baseball game schedule this coming season and come show your support for our team!

We would also like to thank the young men from the Legion baseball team for coming out to help us with our Annual Log Splitting in November.

## Legion Scholarships:

Legion Officers and American Legion Baseball Coach Bo Gray presented our Legion Scholarships to the deserving young men this past December. The Scholarships include the Jack Huhn Scholarship, the Tom Goldy Scholarship and the Lance Peck Scholarship. We wish the young men well and were happy to help them with the Scholarships.

# Message from the SAL Commander

As 2017 came to a close, the SALs can look back and reflect on many accomplishments for the year. Let's take a moment to review some of our recent activities.

A big thank you to the SALs, Ladies Auxiliary, Legion Riders, NAM Knights and General Members, for another successful SAL Family Day! Everyone worked together to host the event to celebrate our Veterans and their families and enjoy the day with all of our family and friends. The Legion's grill was fired up all day long. Our SAL's chefs Joe, Brian and Josh did an excellent job at the grill.

A special thanks to the Ladies Auxiliary for preparing the salads and desserts. Thanks to Al Sacca and Peggy Connolly for the cooking they did at their home for Family Day. We gave away Door Prizes for the first time and they were a big hit. This was all due to the generosity of Dan and Lynn Collins, Chuck Jeffers and his mother Terry, and Bill and Val Norton. These are just some of the many that contributed to the Family Day Celebration to bring this event together – thank you all! The popularity of our Family Day continues to grow. We had a record turnout this year.

We are extremely grateful for the tremendous response for the donations for the victims of the Hurricanes Harvey and Irma. This was done on short notice, but many came through and donated. We

received a "Citation for Meritorious Service" from the Wildwood American Legion Post for the awesome response with this relief effort.

The annual SAL Log Splitting day was held in early November. Thanks to all that pitched in. We will be good with wood for the Canteen fireplace for quite a while!

Christmas events included the "Children's Christmas Party" with an appearance by Santa (our Senior Vice Commander Rich). Thanks to all for hosting and attending, it was an exciting time. The expressions on the kids was pure happiness as they participated with the crafts and sat on Santa's lap. Our Post also hosted a Christmas Party which was a blast. Here again the success of events like these is all due to the generosity of our Post's members.

Please keep an eye on our website ([www.alch372.com](http://www.alch372.com)) for information about upcoming events, like the Super Bowl party on February 4 and the Valentines Oldies Dinner Dance on February 10. Tickets for the Valentines Dinner Dance can be purchased in advance at the Canteen.

Remember our SAL meetings are held on the third Wednesday of every month at 7:30 PM. All SAL members are encouraged to come out and show your support for our SAL family. Keep in mind the SAL Poker Night continues on the last Friday night of each month. All are welcome.

It's time for all of us to renew our memberships for 2018. We've reached high membership numbers

over the years and we want to continue the progress. With each year we grow stronger in our dedication to enhance this great organization, which builds on the true feeling of "Family" participation at our post. We have set up January 13 for SAL 2018 Memberships Renewal Day. You can also renew at the canteen.

Lastly, I want to share a snapshot of history – "The 1914 Christmas Day Truce". Just after midnight on Christmas morning 1914, the majority of German troops engaged in World War I ceased firing their guns and artillery and began to sing Christmas carols. Many of the German soldiers emerged from their trenches and approached the Allied lines across no-man's-land, calling out "Merry Christmas" in their enemies' native tongues. At first, the Allied soldiers feared it was a trick, but seeing the Germans unarmed they climbed out of their trenches and shook hands with the enemy soldiers. The men exchanged presents of cigarettes and plum puddings and sang carols and songs. The so-called Christmas Truce of 1914 came only five months after the outbreak of war in Europe and was one of the last examples of the outdated notion of chivalry between enemies in warfare.

In closing, I want to pass along best wishes for a Prosperous and Happy New Year to the SALs, their families and all members and families of our great Post. Thank you for your support! For God and Country  
Dave D'Orazio  
SAL Commander

# NJ Meritorious Service Medal for Stand Down

In October, Stand Down of South Jersey was presented with the State of New Jersey Meritorious Service Medal. The presentation was made by Adjutant General, Brigadier General Michael Cunniff, and Governor Chris Christie at the annual Governor's Military Review and Awards ceremony at the National Guard Training Center in Sea Girt, NJ. The award recognizes Stand Down's years of service to the area homeless and at-risk Veterans.

Several Legion members have made this an annual volunteer tradition—we encourage all that can participate to consider doing so next year as well. Long time Legion member and retired FBI agent, Jim Maher, is president of Stand Down, and has done an outstanding job every year!

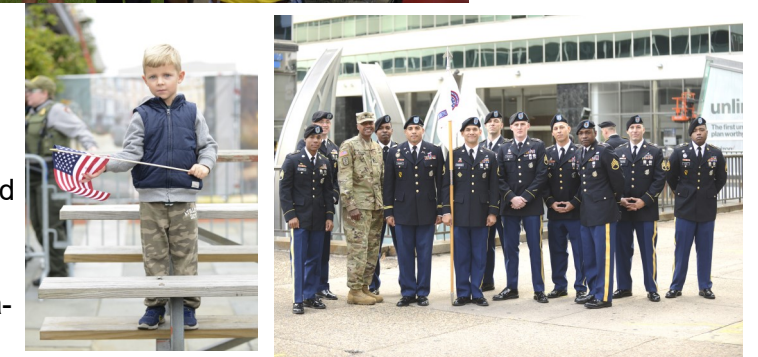

This years Stand Down provided service to 171 homeless and at-risk Veterans. Among them were 4 who needed and received urgent medical attention. One volunteer also required and received care for an urgent medical issue. One Veteran was evacuated by ambulance.

Each Veteran could select from purchased winter coats, boots and hooded sweatshirts as well as surplus military gear. Gently used clothing was also available. Stand Down purchased and distributed winter coats, winter vests, blue jeans, hooded sweatshirts, and new boots. Socks and regular and thermal underwear were also distributed. A meal of spare ribs, hot dogs, hamburgers, salads and fruit was also provided.

## Philadelphia Veterans Parade 2017

Legion members once again participated in the 3rd Annual Philadelphia Veterans Parade in Center City. Over 150 organizations and 3000 marchers participated in the parade. In addition to our participation we donated American flags and bottled water which were handed out to the parade participants in the staging area.

# Cherry Hill Police—Veterans Dinner, Golf and Police Unity Tour

**Veterans Dinner :** Once again, the Cherry Hill PBA hosted a Veterans Dinner at the Legion.

The PBA's special guest this year was Deptford Township K9 officer Max Janofsky, a retired Army Staff Sergeant, Bronze Star recipient and combat wounded veteran who served multiple tours in Iraq and Afghanistan. Earlier this year, his wife, Danielle, was diagnosed with melanoma cancer when she was 6 months pregnant. It had spread to liver, kidney, stomach, and her brain —knowing that her diagnosis was a devastating one, Danielle made the decision to deliver her baby, a one pound 11 ounce baby boy named Jake, via C-section. Danielle died three days later. Our hearts go out to him.

The dinner was catered by Mission BBQ, who provided outstanding food and are well known for their support of active military, veterans and law enforcement.

A great time was had by all and our sincere appreciation goes out to them for honoring our veterans and providing this wonderful evening for us.

### PBA Golf Tournament:

The PBA held their annual Golf Tournament at Pennsauken Country Club. About a dozen Legion members played and Legion members all pitched in \$5-\$10 to purchase a Hole Sponsor Sign.

quite costly.

Some American Legion members attended their Police Unity event at Kaminski's Restaurant in December. A

great time was had by all and we even had a couple winners of Chinese Auction items!

For anyone that did not order a Police unity Shirt and would like one, call or email Sue at 856-495-7270 or email

### Police Unity Tour:

This will mark the first year that the Cherry Hill Police Department will have their own Police Unity Tour Team.

In May 1997, the Police Unity Tour was organized, by Officer Patrick P. Montuore of the Florham Park Police Department, with the hope of bringing public awareness of Police Officers who have died in the line of duty and to honor their sacrifices. What started with 18 riders on a four day fund-raising bicycle ride from Florham Park, NJ to the National Law Enforcement Officers Memorial in Washington, D.C. Has grown into nine chapters consisting of nearly 2500 members nationwide who make the trip annually.

Kudos to the Cherry Hill Police Officers who are participating in this event to honor their fallen comrades.

They do have some fundraisers going on to help offset the expenses of the 4 day trip which is

squinn9807@aol.com.

Men's Shirts: Short Sleeve \$20, Long Sleeve \$30, Hoodie \$40.

Women's Shirts: Short Sleeve \$25, Hoodie \$40.

There will also be 50/50 chances available in the near future—drawing will be sometime in April. Stay tuned on our website and canteen for details on the tickets.

# MESSAGE from Riders Director

We have had a SAFE and eventful year and look forward to the new year!

To recap the last several months, we participated in numerous events such as the annual SAL Family Day, 21st Annual Wildwood Bike Week, our Halloween Party and the Legion Holiday Festivities.

On a more somber note, we participated in the NJ Run for the Fallen once again - let us not forget our Cherry Hill KIA Greg Dalessio, Jeremy Kane, John Spahr and newly added Kenneth Smith. Ken was an Electronics Technician 3rd Class on the USS John

McCain and was only 22yrs old when he was killed. We also participated in his funeral procession and flag line at the church service.

We also supported the Greg Dalessio 5K Run - this was the 10th year - we have been supporting it since the beginning.

I would also like to give a special kudos to those that participated in the Epic Ride! This was pretty amazing and our Post was singled out as a stop along their route. We need to give a huge thanks to the ALR from Post 493 Mystic Island for joining us on this momentous occasion! The group was overwhelmed

that so many rode out to escort them back to the Post for a simple luncheon and meet and greet! Good to see you guys from Salina, CA Post 31!

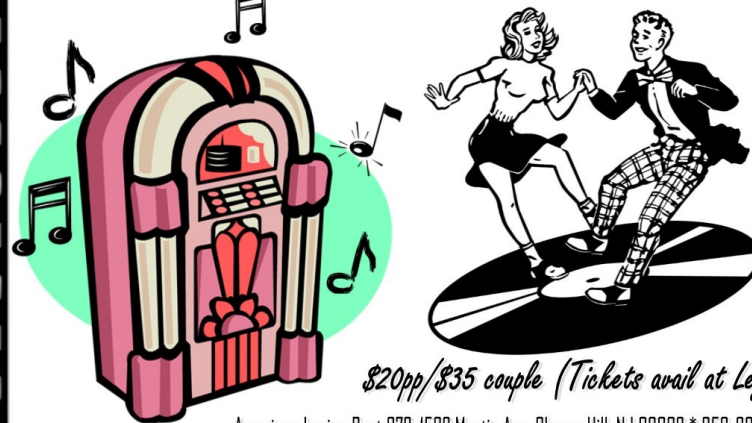

Check our website and Facebook page for upcoming events including details on our annual St Patty's Day party and upcoming missions. And consider joining us and as always the usual camaraderie at the Post Canteen.

Keep your eyes open for any pop-up events/rides! Art Schneider
